

Invitation

DANISH SPRING March 24th-26th 2023

OK Øst Birkerød, Allerød OK and Farum OK welcome competitors to DANISH SPRING – an international orienteering weekend.

DANISH SPRING 2023 will take place in North Zealand in some of the best places: The city of Frederikssund and Tisvilde Forest.

The weekend starts on Friday with a sprint in Frederikssund followed by the Long distance on Saturday, which will be shortened for Women Elite and Men Elite. The last competition is the middle distance on Sunday. All three Events are IOF World Ranking Events for Women Elite and Men Elite. For Danish runners, it is also part of the Danish junior and senior rankings

DANISH SPRING 2023 highlights:

- The Sprint competition in interesting Frederikssund, which has not previously been used for major races.
- Two intensive races in attractive terrain in beautiful springtime Tisvilde Forest
- Compete against many of the best runners in the World
- DANISH SPRING is part of WRE and includes classes for all ages and levels.
- Prizes in all Classes
- Get a taste of Skovlyst Ellebryg
- Get ready for the competitions in the relevant training during the days before the races

Organizers Farum OK, OK Øst and Allerød OK

Competition area and

Embargoed area

City of Frederikssund and Tisvilde Forest

Competitors in the WRE classes are not permitted to visit the competition area the city of

Frederikssund and Tisvilde Hegn until the competition is finished.

Terrain description

City of Frederikssund

Classic Danish city center consisting of pedestrian streets with associated backyards, paved paths alternating with residential areas. The area also has a large grassy area, which is often used for events and festivals.

Tisvilde Forest

Most of the forest consists of young and old pine forest, some areas however old foliage. Hilly forest with predominately good passage and a detailed contour line. New felled area with some undergrowth.

The eastern part is slightly hilly. The western part is flat. Between the two types of terrain is a steep slope.
